\* The Kärcher floor cleaners achieve up to 20% better cleaning performance compared to a conventional mop with wiping cloth cover in the "Wiping" test category. Refers to average test results for cleaning efficiency, dirt pick-up and edge cleaning. \*\* The Kärcher floor cleaners can halve your cleaning time, since common household dirt can be removed from hard floors in a single step, doing away with the need to vacuum before mopping.

## Signature Line benefits

- The signature of company founder Alfred Kärcher marks the product as the best Kärcher device in its category. Other exclusive benefits include app support and an extended warranty.

## Attractive LCD display

- Simple device application with step-by-step instructions.
- Avoidance of application errors through warnings and error messages on the display.
- Intuitive operation.

## Countless options for cleaning modes

- Frequently required cleaning modes are preset on the device: two cleaning modes with different water volumes and roller speeds, and a boost function for stubborn dirt.
- With app connection: transmission of a large number of additional cleaning modes to the device, optimised for different floor types, as well as configuration of your own individual cleaning modes.
- Suitable for all hard floors - including parquet, laminate, stone and ceramic tiles, PVC and vinyl.
