<b>Detergent</b>	Floor cleaning Universal RM 536 30 ml
<b>Cleaning and parking station with roller storage</b>	■
<b>Cleaning brush</b>	■
<b>Self-cleaning mode</b>	■

■ included in the scope of supply.

\* The Kärcher floor cleaners achieve up to 20% better cleaning performance compared to a conventional mop with wiping cloth cover in the "Wiping" test category. Refers to average test results for cleaning efficiency, dirt pick-up and edge cleaning. \*\* The Kärcher floor cleaners can halve your cleaning time, since common household dirt can be removed from hard floors in a single step, doing away with the need to vacuum before mopping.

### All-in-one: Removes all kinds of dry and wet everyday dirt in a single step

- 50 per cent time saving: Coarse dirt pick-up technology enables wiping without the hassle of vacuuming beforehand.
- Optimum hair pickup by means of integrated hair filter.
- Cleans right up to the edge.

### Wiping is 20 per cent\* cleaner than with a mop and much more convenient

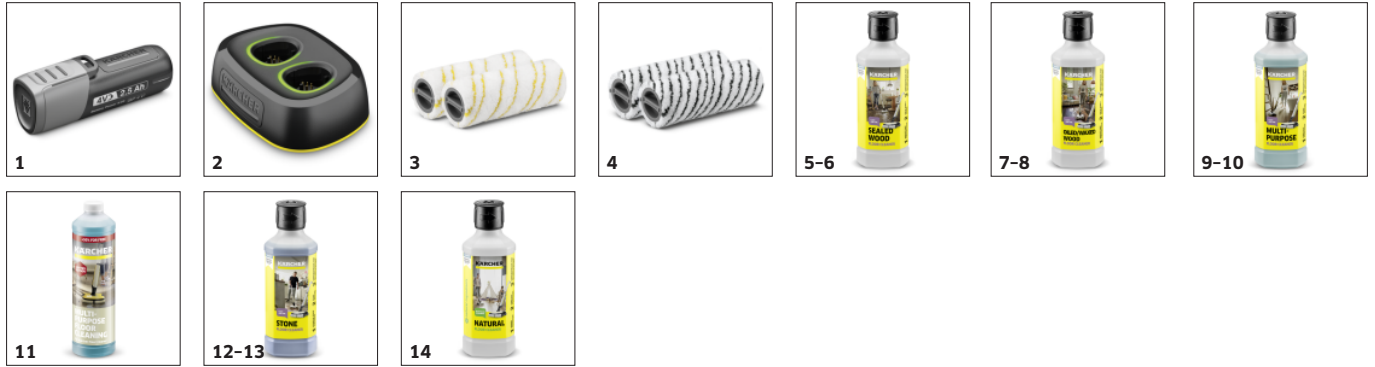

- 2-tank system: Permanent wetting of the rollers from the fresh water tank while the dirt is collected in the waste water tank.
- Effortless: No dragging a bucket around, no wringing out the floor cleaning cloth by hand, no scrubbing.
- Rollers are machine-washable at 60 °C.

### Two different cleaning modes

- Roller rotation and water quantity are adjustable according to the type of dirt and floor.
- Suitable for all hard floors – including parquet, laminate, stone and ceramic tiles, PVC and vinyl.
- Low residual moisture means that floors can be walked on again after approximately 2 minutes.

## ACCESSORIES FOR FC 4-4 BATTERY SET 1.056-400.0

	Order no.	Description	
<b>BATTERIES</b>			
Battery Power 4/25	1 2.443-002.0	The 2.5 Ah Kärcher Battery Power exchangeable battery is suitable for use in all 4 V Kärcher Battery Power devices.	■
