■ Included in the scope of supply.

### Outstanding filter cleaning

- Strong pulse air streams move the dirt from the filter into the container at the push of a button.
- The full suction power is quickly restored.

### Patented filter removal technology

- Quick and easy removal of the filter from the filter box – without contact with dirt.
- For wet and dry vacuuming without filter replacement.

### Hose storage on the device head

- The suction hose can be stored in a space-saving manner by hanging it on the device head.
- Intuitive securing mechanisms for left- and right-handed users.
